edabroad.uncc.edu
Designed for first-time international travelers and seasoned visitors alike, this study abroad course provides an in-depth look at three of Britain’s most vibrant and historically rich cities: Edinburgh, Oxford, and London. We will visit Scotland’s beautiful capital, where we will explore Edinburgh Castle, the Royal Mile, and the city’s famous underground vaults. We will also take a day-long excursion to the Scottish Highlands, Loch Ness, or Hadrian’s Wall. Making our way down to London via train, we will visit the Churchill War Rooms, the National Archives, shop at Harrods, cruise on the Thames, and dine in a 500-year old pub.
