<sup>a</sup> Composite scores include the total number of tests passed, including Math, Reading, and Science

<sup>b</sup> Level III indicates grade level proficiency, Level IV indicates above grade level proficiency.

<sup>c</sup> Due to changes in states tests, scores prior to 2006 cannot be compared longitudinally to scores from 2006-2012.

<sup>d</sup> 2012 results of student achievement may be unreliable indicators due to instructional and structural changes made in 3<sup>rd</sup> – 5<sup>th</sup> grade in summer of 2011
